## *Foreword*

A bridge is a structure that forms a passageway over an obstacle. The bridge of knowledge we have acquired here at Hopewell High School has prepared us to cross many obstacles we will face in life. We are the architects of our future, working in these walls of time. Our todays and yesterdays are the blocks with which we build our bridge of life. If we build strongly today with a firm and ample base, we will realize that tomorrow will find its place.

As the name KALEIDOSCOPE signifies, our academic life can be viewed in many different aspects, each one equally memorable in years to come.

May each one of you seek his own special meaning and memories in these pages even as we have found joy and a sense of fulfillment in our work as

Your Editors,  
Brenda Butler  
Brenda Morene

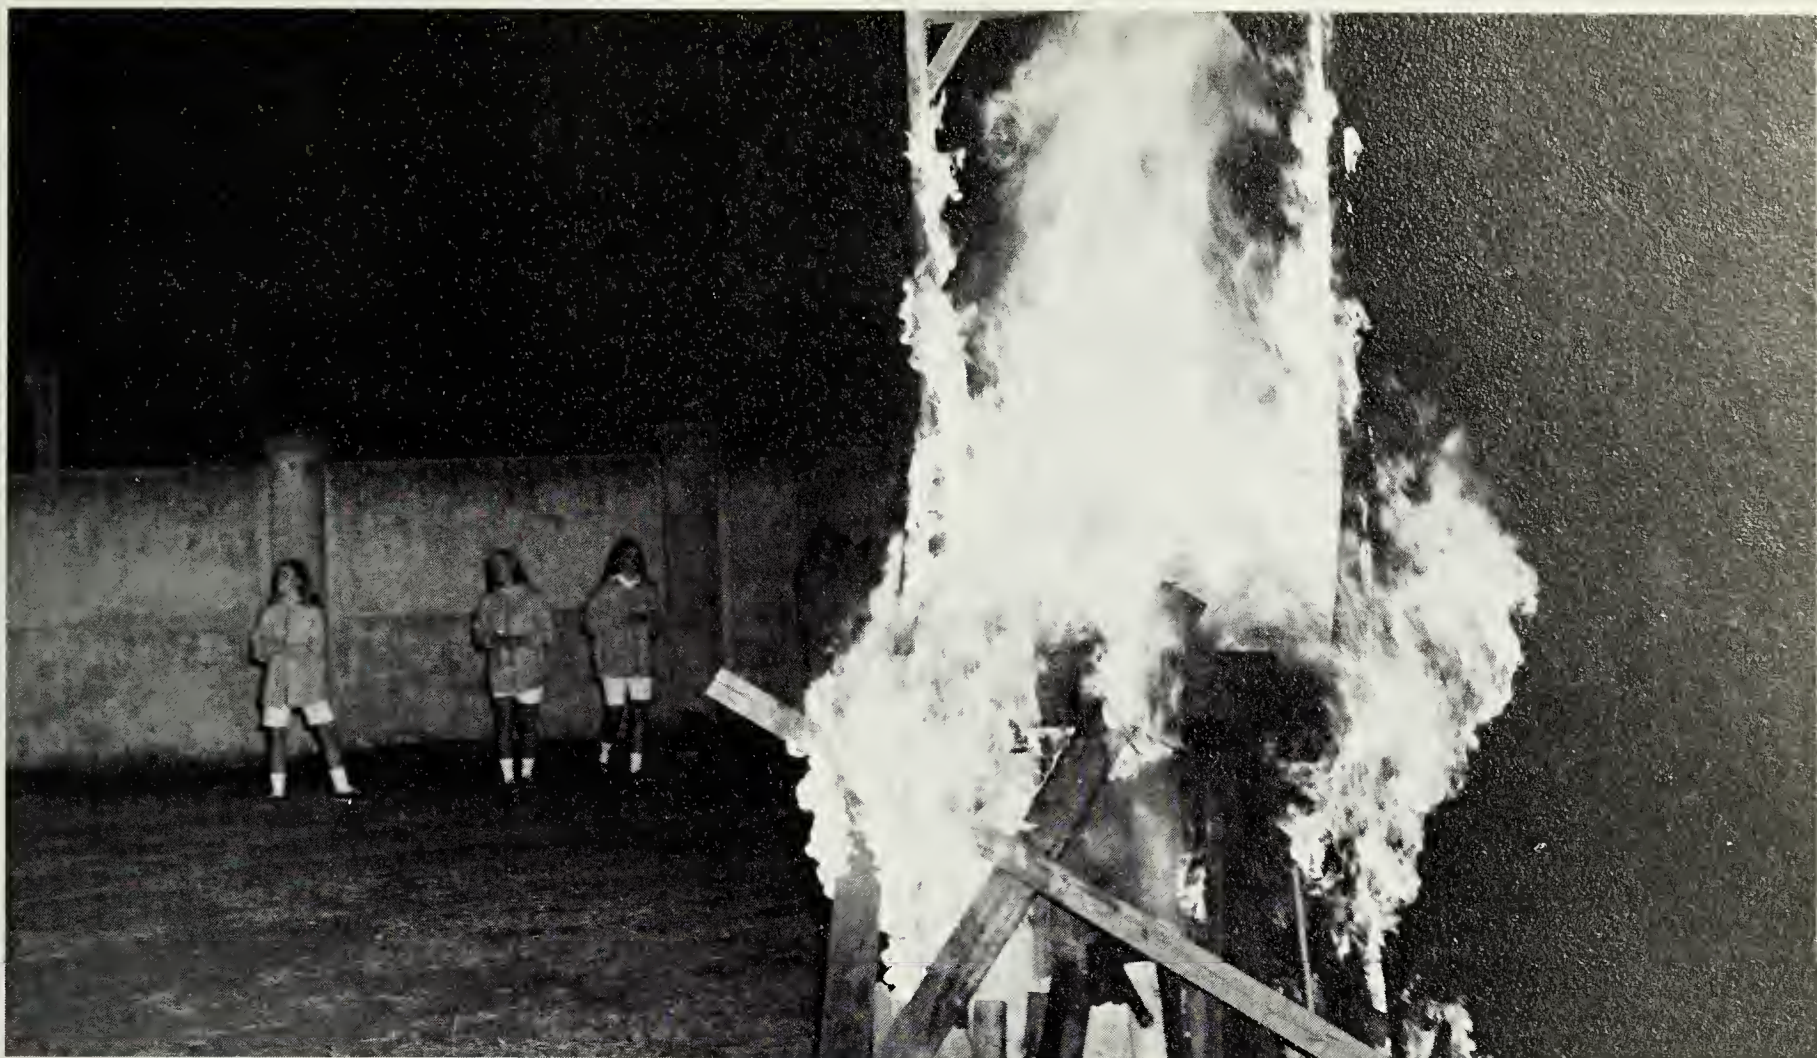

Above, we see the entrance to our new school, which has long been awaited. At bottom left is the modern library, which is located in the center court-yard of the school. At bottom right is the entrance to the auditorium with a curvature of the front wall.

This was a hot time in old Hopewell this night. At the annual Petersburg pep rally a Petersburg dummy was hung in effigy on the football field. This age old tradition built a tremendous amount of pep and spirit for the annual clash with Petersburg.

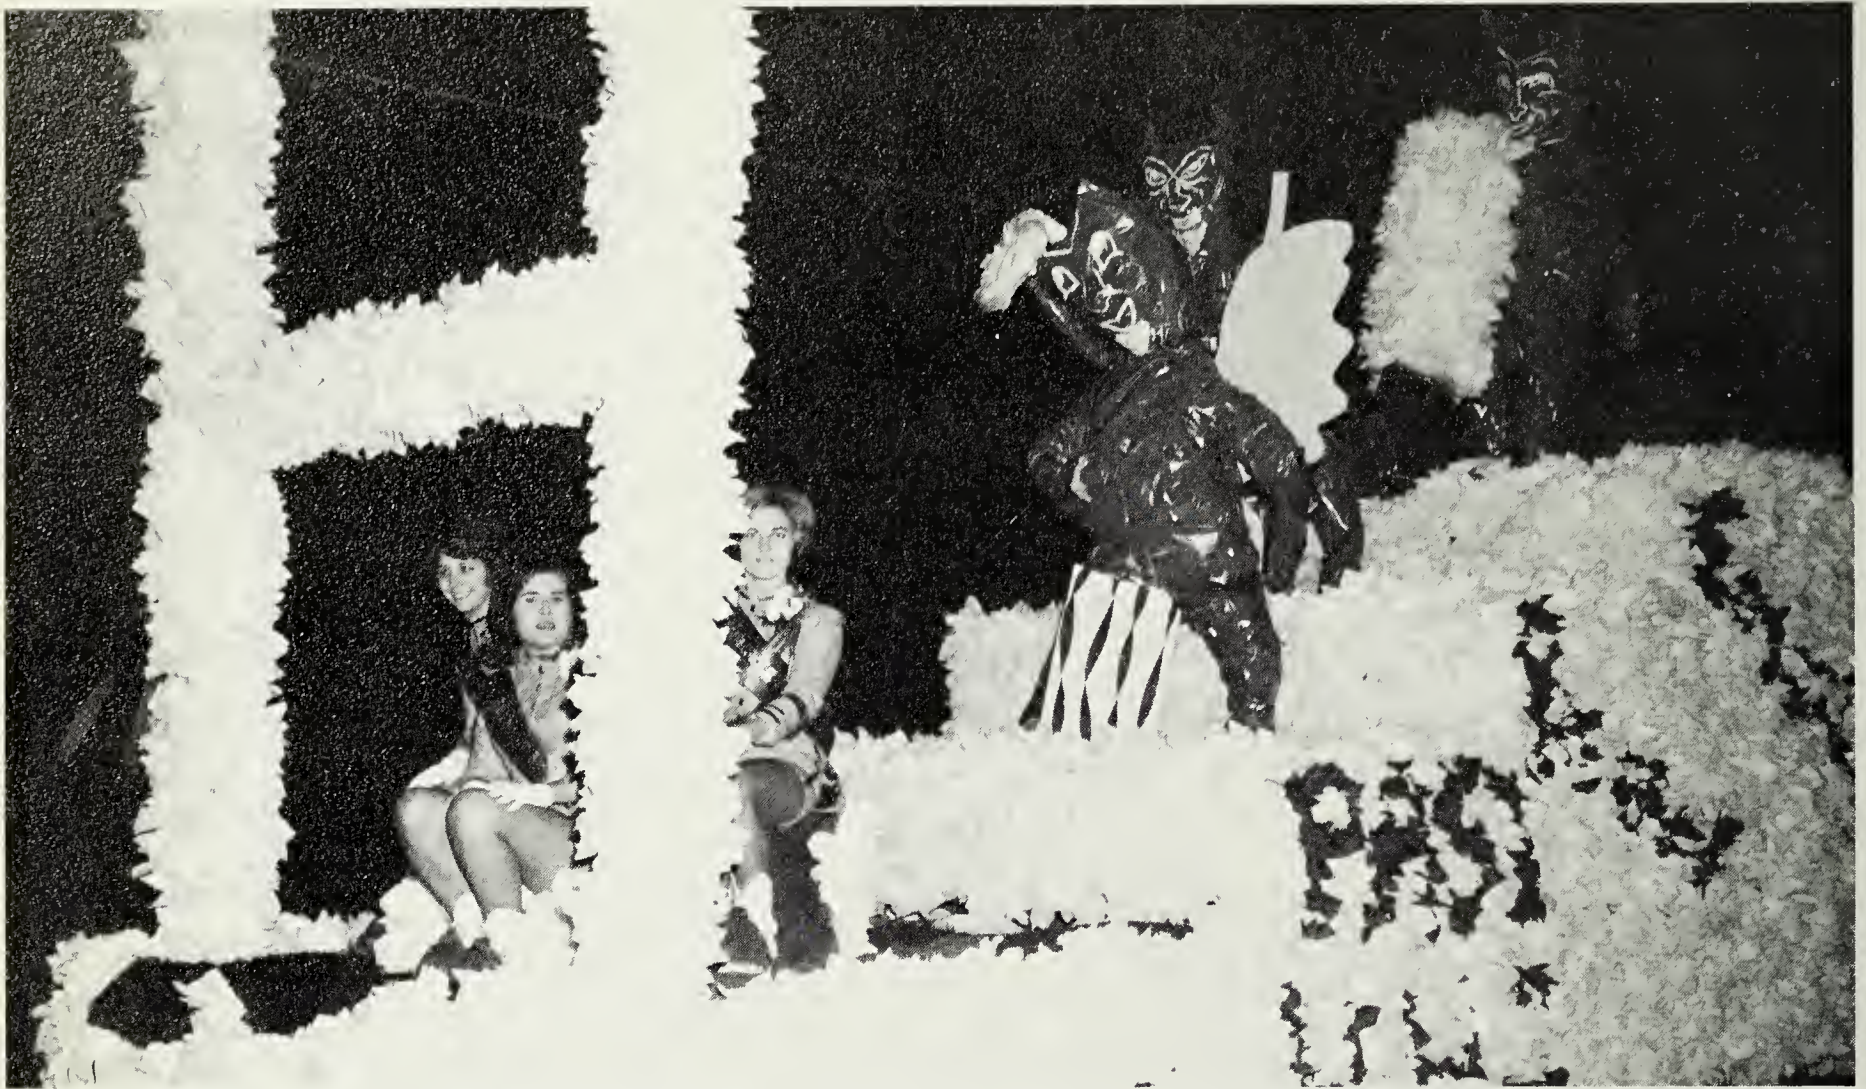

## *Devils—Past, Present,*

The winning float of the Homecoming Festivities was entered by the Senior Class of 1967. This honor was well deserved because of the hard work, effort, and time that was rendered in order to construct this beautiful float.

The Homecoming dance was a complete success with the "New Generations". The decorations followed the Homecoming theme which was continued throughout the weekend.

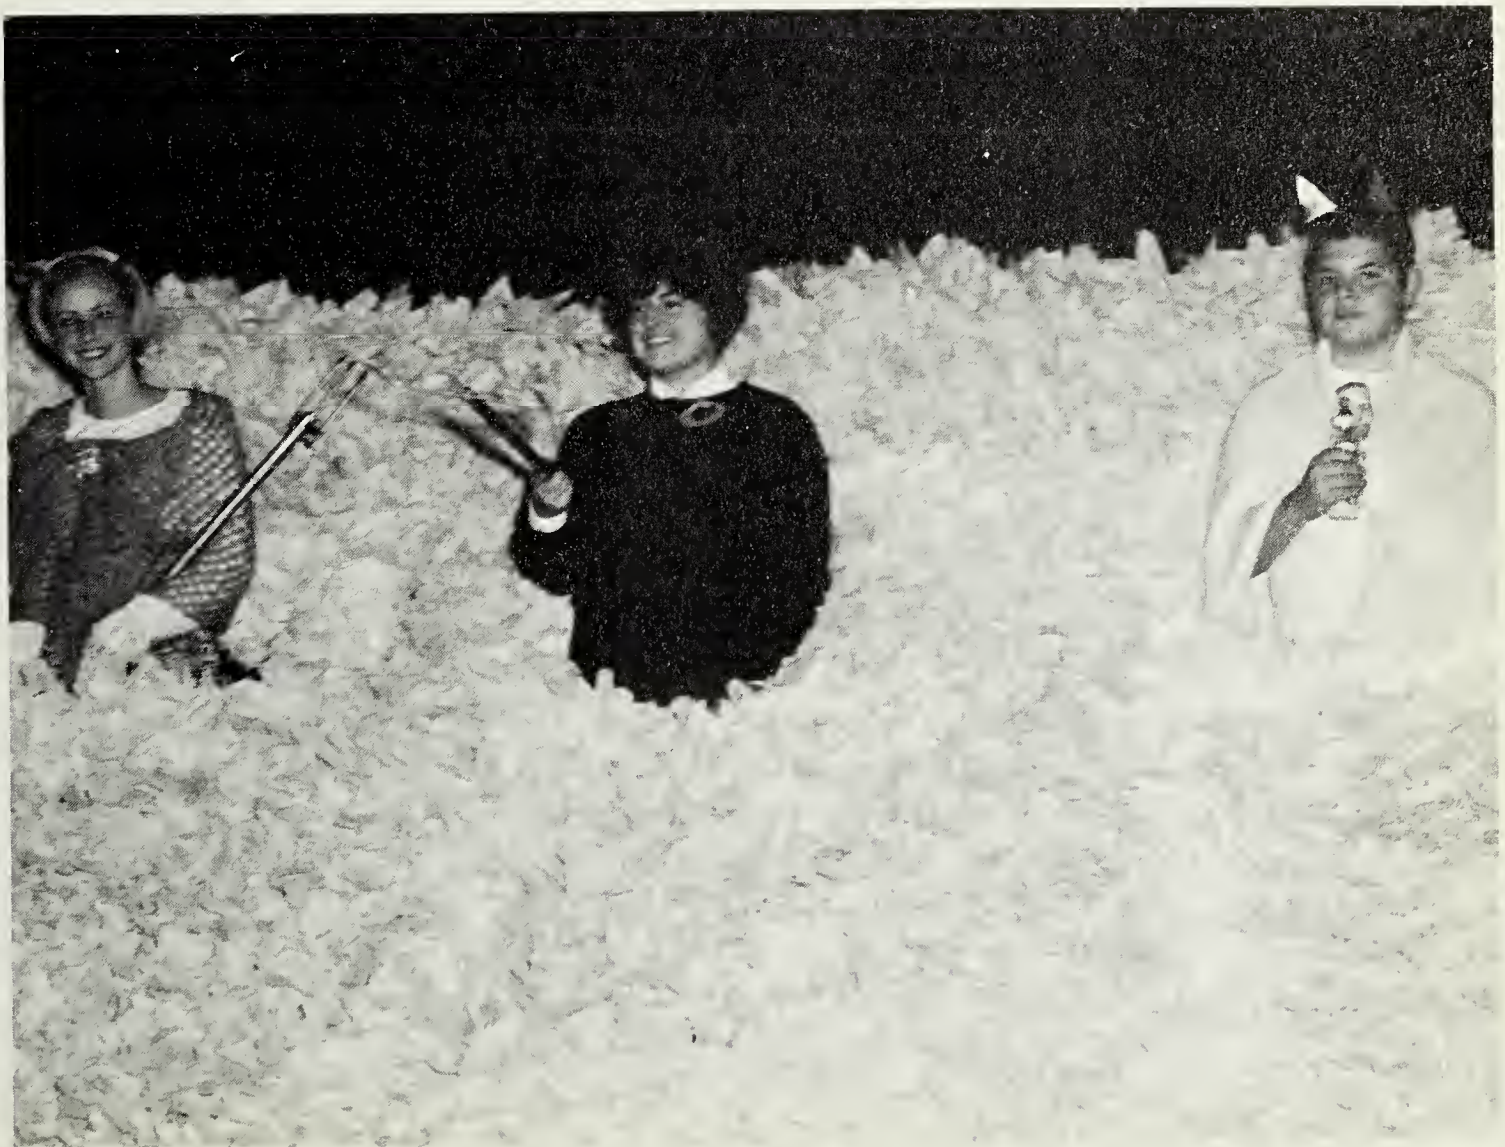

# Future

Because of the ingenuity of the Junior Class, their float was chosen as first runner-up in the float contest. The float depicted the "Mighty Blue" victorious over all.

Placing third was a real triumph for the Pep Club since this was a recently established organization. This float carried the theme of Homecoming, "Devils — Past, Present, Future."

Our school buildings and classrooms are very valuable to those who yearn to further their education and to those who want to advance in their chosen occupational fields.

With a lot of pep and vitality the students of H. H. S. display their enthusiasm throughout the year for all of our school sports.

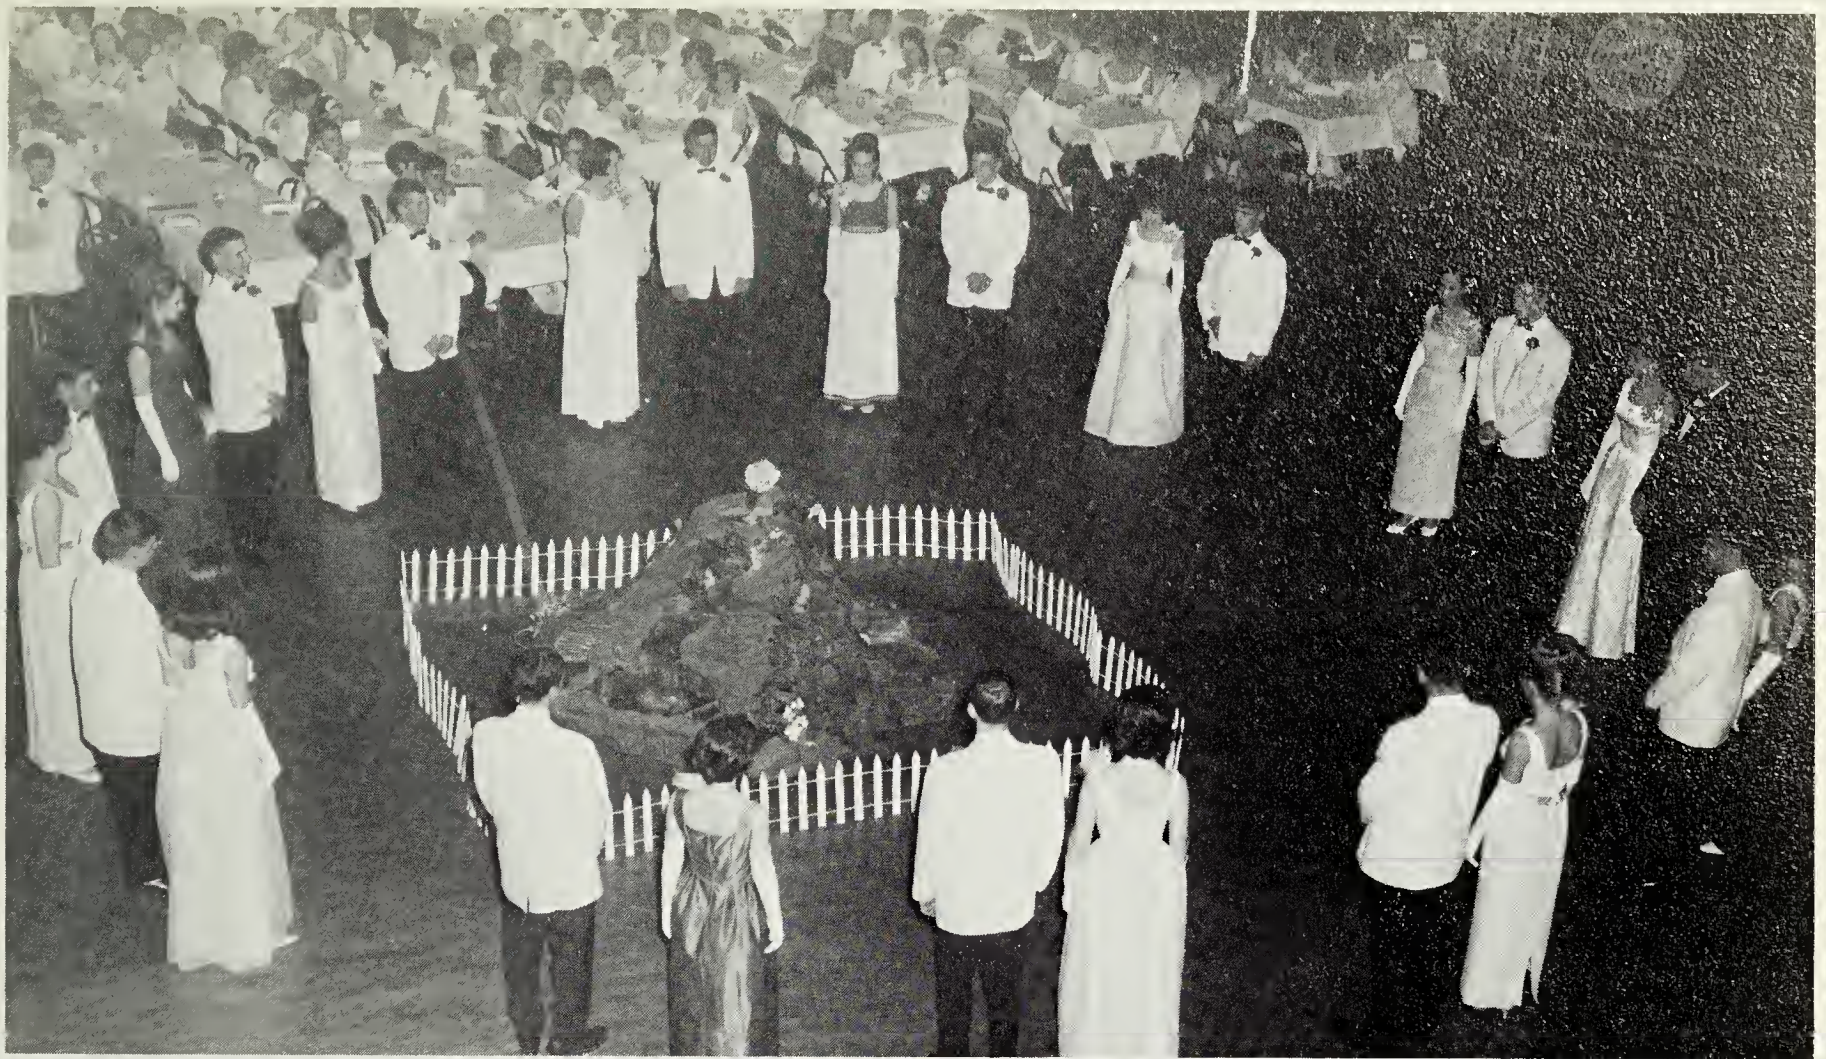

On October 29, the witches and goblins ventured out to our annual Halloween Ball. Prizes were given to those with the most original costumes and at this time Miss Judy Barnes was announced as our Halloween Queen. There was dancing and eating throughout the evening.

The arrival of May not only brought flowers but also the highlight of the year, our Jr.-Sr. Prom. The trials and tribulations of the Junior Class transformed the gym into a "Springtime in Old Virginny". The gala affair began with a grand march after which there was dancing and merrymaking until midnight.

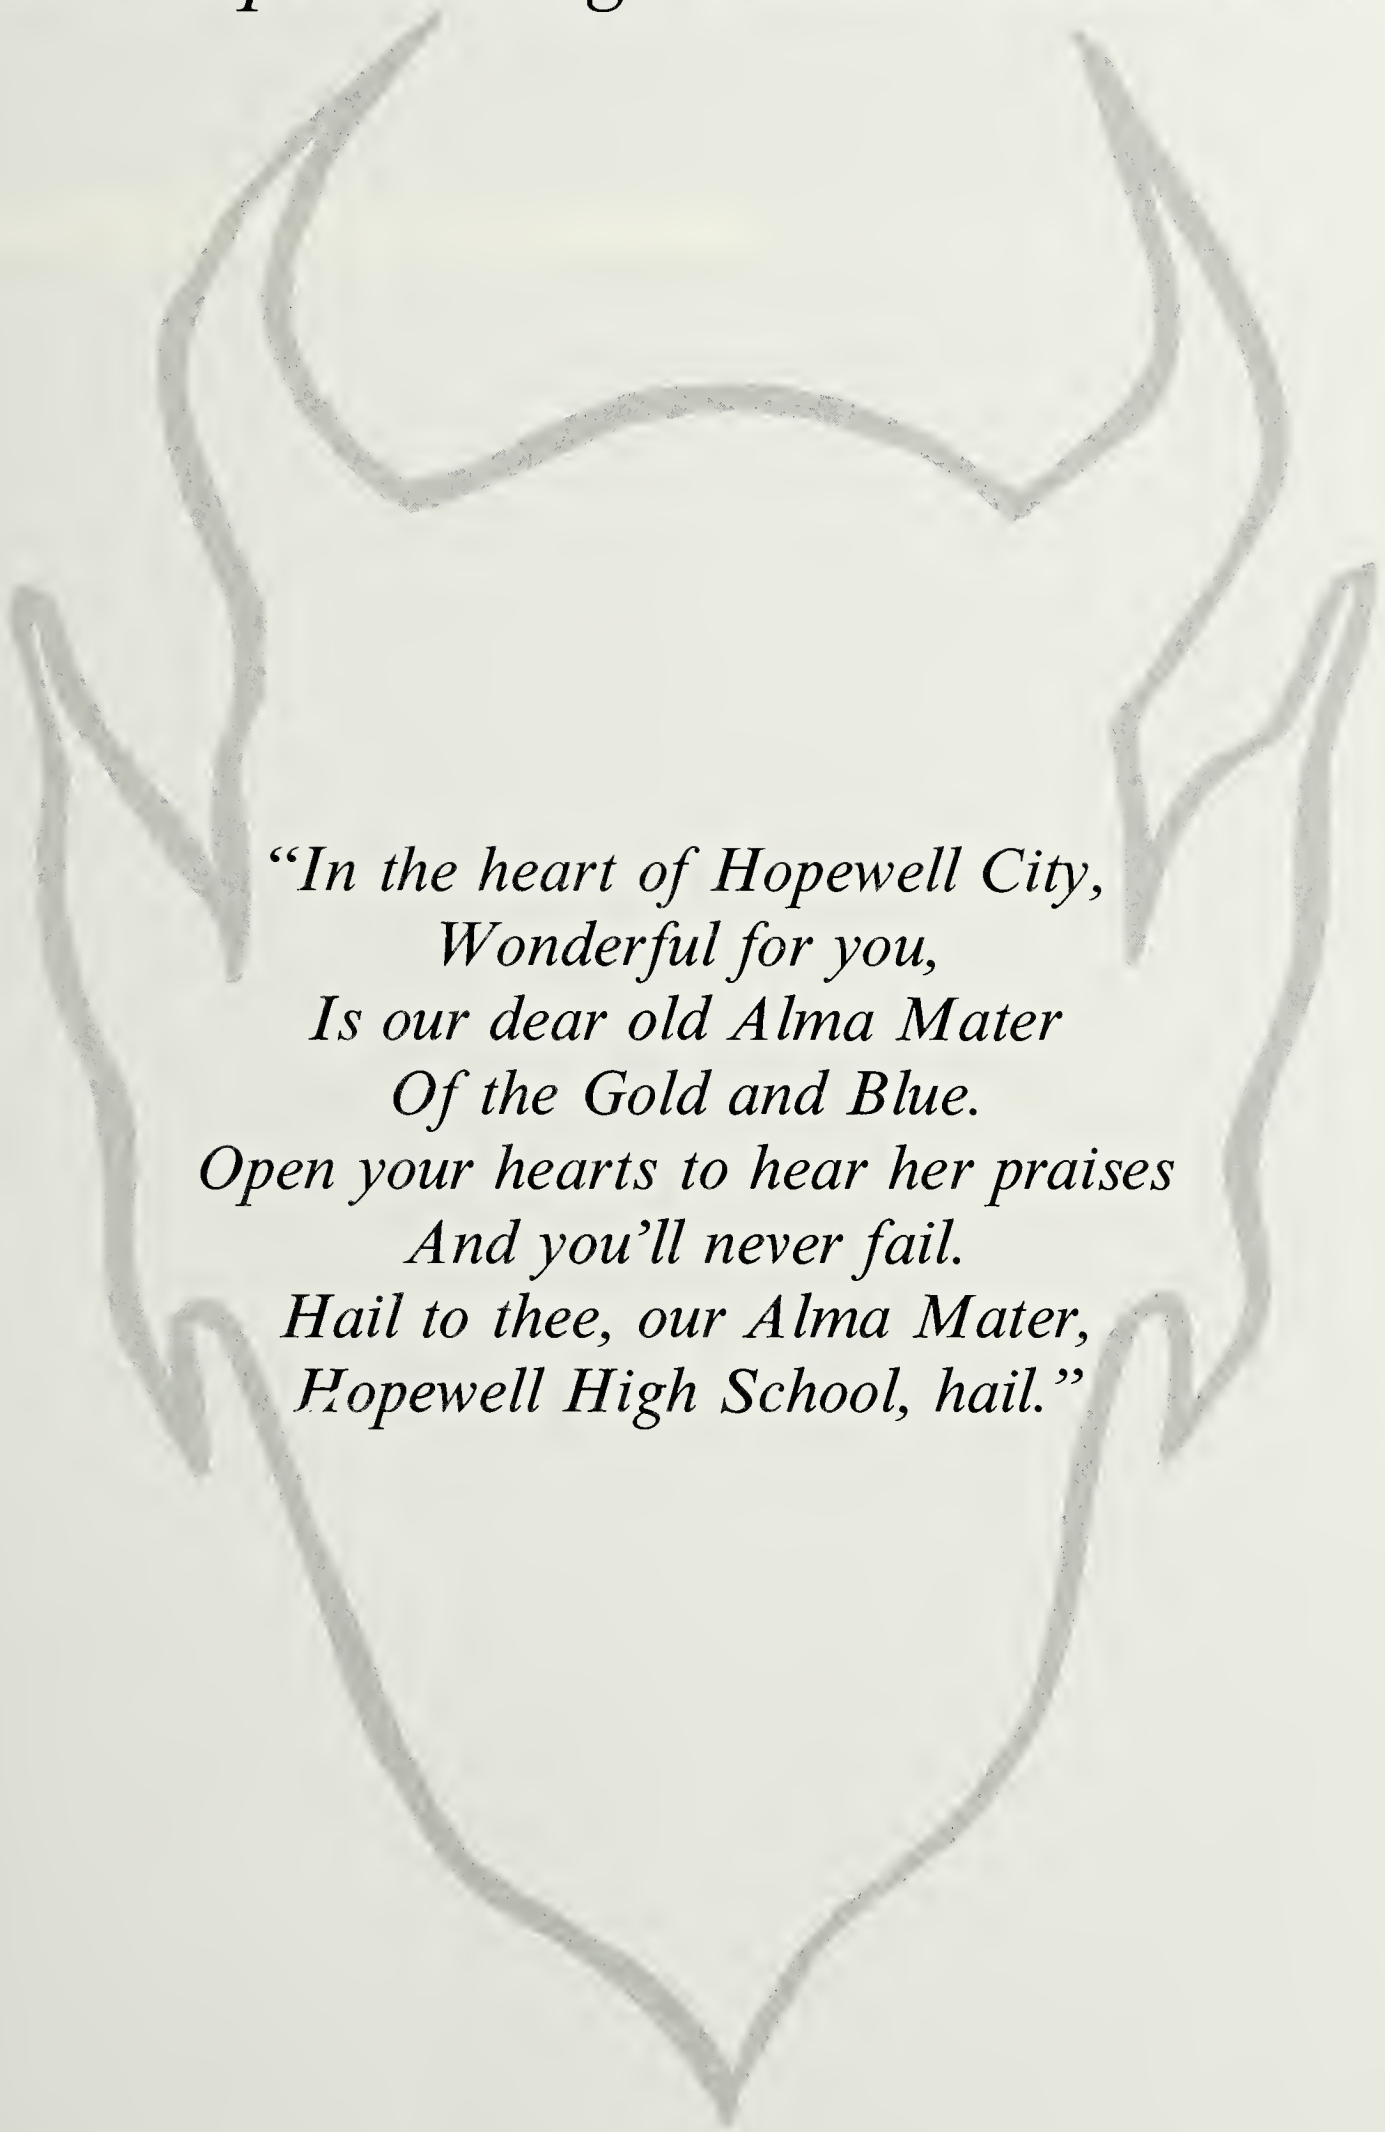

Our Hopewell High School cheerleaders and majorettes played an active role in the promotion of better sportsmanship and school spirit during the 1966 football season.

# *The Hopewell High School Alma Mater*

*“In the heart of Hopewell City,  
Wonderful for you,  
Is our dear old Alma Mater  
Of the Gold and Blue.  
Open your hearts to hear her praises  
And you’ll never fail.  
Hail to thee, our Alma Mater,  
Hopewell High School, hail.”*

# *Features*

In crossing bridges there are often times many spans that attract our attention. The majority of these will be honors and memories that will be dear to our hearts down through the years.

In this section we present those who have come face to face with these honors and have shouldered their responsibilities along with the prestige, making them outstanding among their fellow students. These are the spans that portray and build our character.

## *Dedication*

*F. Carroll Alexander*

Because of his ever present concern for the youth of today, his many years of willing service to the worthy cause of education, and the unceasing support he has given us at all times, we, the Class of 1967, dedicate our Kaleidoscope to Mr. F. Carroll Alexander.

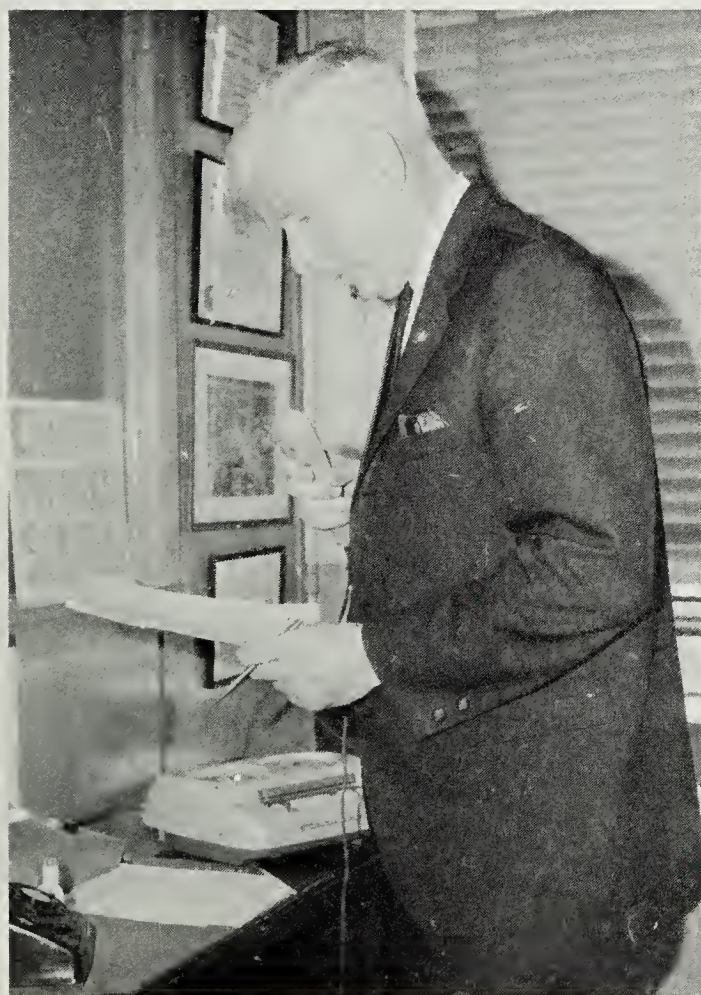

## *Our Dedicatee in Action*

This year Mr. Alexander has been busy with plans for the new school.

Each day he spends many hours working with members of the office staff.

# Classes

Just as we are able to cross a stream with the arrival of a bridge, so an important step in our lives begins with our arrival at Hopewell High School. Immediately we become a part of the fun, work, and enjoyment of at last being a teenager. We experience busy hours spent in doing research papers, working for a certain grade, hurried homeroom periods, choosing class officers, attending meetings, and getting acquainted with each other.

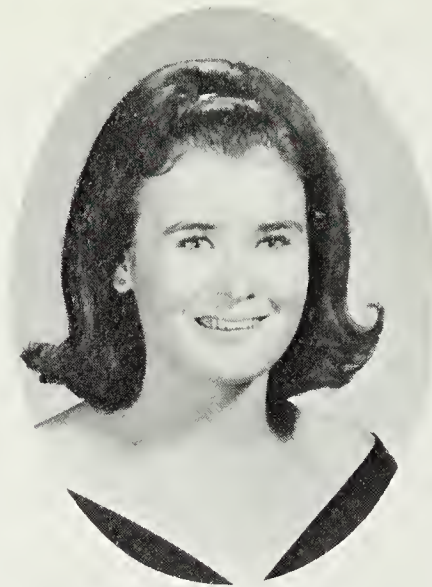

Dreams alone are weak, but if combined with work and will, they become foundations for the building of a sturdy bridge.

## BRIDGE OF TIME

*The time is once more drawing near,  
To close out the end of another school year,  
And we, as seniors, have the world to face  
As we leave, for the last time, this place.*

*And what have we learned during our twelve years of school?  
Have we learned a good trade and how to use a successful tool?  
Do we remember the teachers who helped us through  
The problems we didn't know how to do?*

*And so, before our path we see  
A structure that is known to you and me,  
A bridge for crossing (yes, one more)  
For we have crossed many bridges before.*

*We, the class of '67,  
Have left a path that is well-trod  
But there's one thing other classes didn't do:  
Bridge the gap from the old school to the new.*

*And so, the last graduating class of this Hopewell High  
Will lift their heads and say good-bye  
For all the things it held in store.  
We've come across a bridge once more.*

*Kelly Golden*

## Officers

Juniors, while looking forward to being the first graduating class from the new Hopewell High School, take a very active part in all facets of school life. For the first year we're all eligible for Varsity Squads. While some fail in their athletic attempts, we all take pride in those who succeed. Socially, we look forward to the Junior-Senior Prom, the Beauty Contest, and the Popularity Contest. We first become concerned with colleges, realizing that grades must show a certain degree of academic excellence.

## Officers

Organizing for the first time as a class the sophomores of Hopewell High comprise one of our largest classes. They have the ability to "make or break" an activity and generally show an enthusiastic response at all times. This spring they look forward to the Sophomore Dance, perhaps a salute and also a farewell to a fine class.

# *Athletics*

The shouts of a crowd when a touchdown is made; the rush of feet on a gymnasium floor; the crack of a bat; and the call of an umpire are memories of sports events at Hopewell High School. Defeat and victory both build character in the wonderful world of sports. We are proud of our teams and of the sportsmanship at H.H.S. We are proud to be "Blue Devils".

## *When All Of Hopewell Falls In Line*

### **Hopewell vs Highland Springs**

In the first game of the season the Blue Devils came through with a fighting spirit. It was a tough, hard game for the Devils and the Springers. In the end, however, the opponents came through with a victory. The score was Highland Springs 14 and Hopewell 8. This didn't get our boys down. They fought all the harder from then on.

### **Hopewell vs Colonial Heights**

After a defeat in the first game, Hopewell was determined to win. Colonial Heights didn't have a chance with our boys that night. The Devils played a great and action-packed game that night, retaining the ball most of the time. The sweeping victory was Colonial Heights 6 and Hopewell 21.

Hopewell's Larry Arnold is pulled to the side lines.

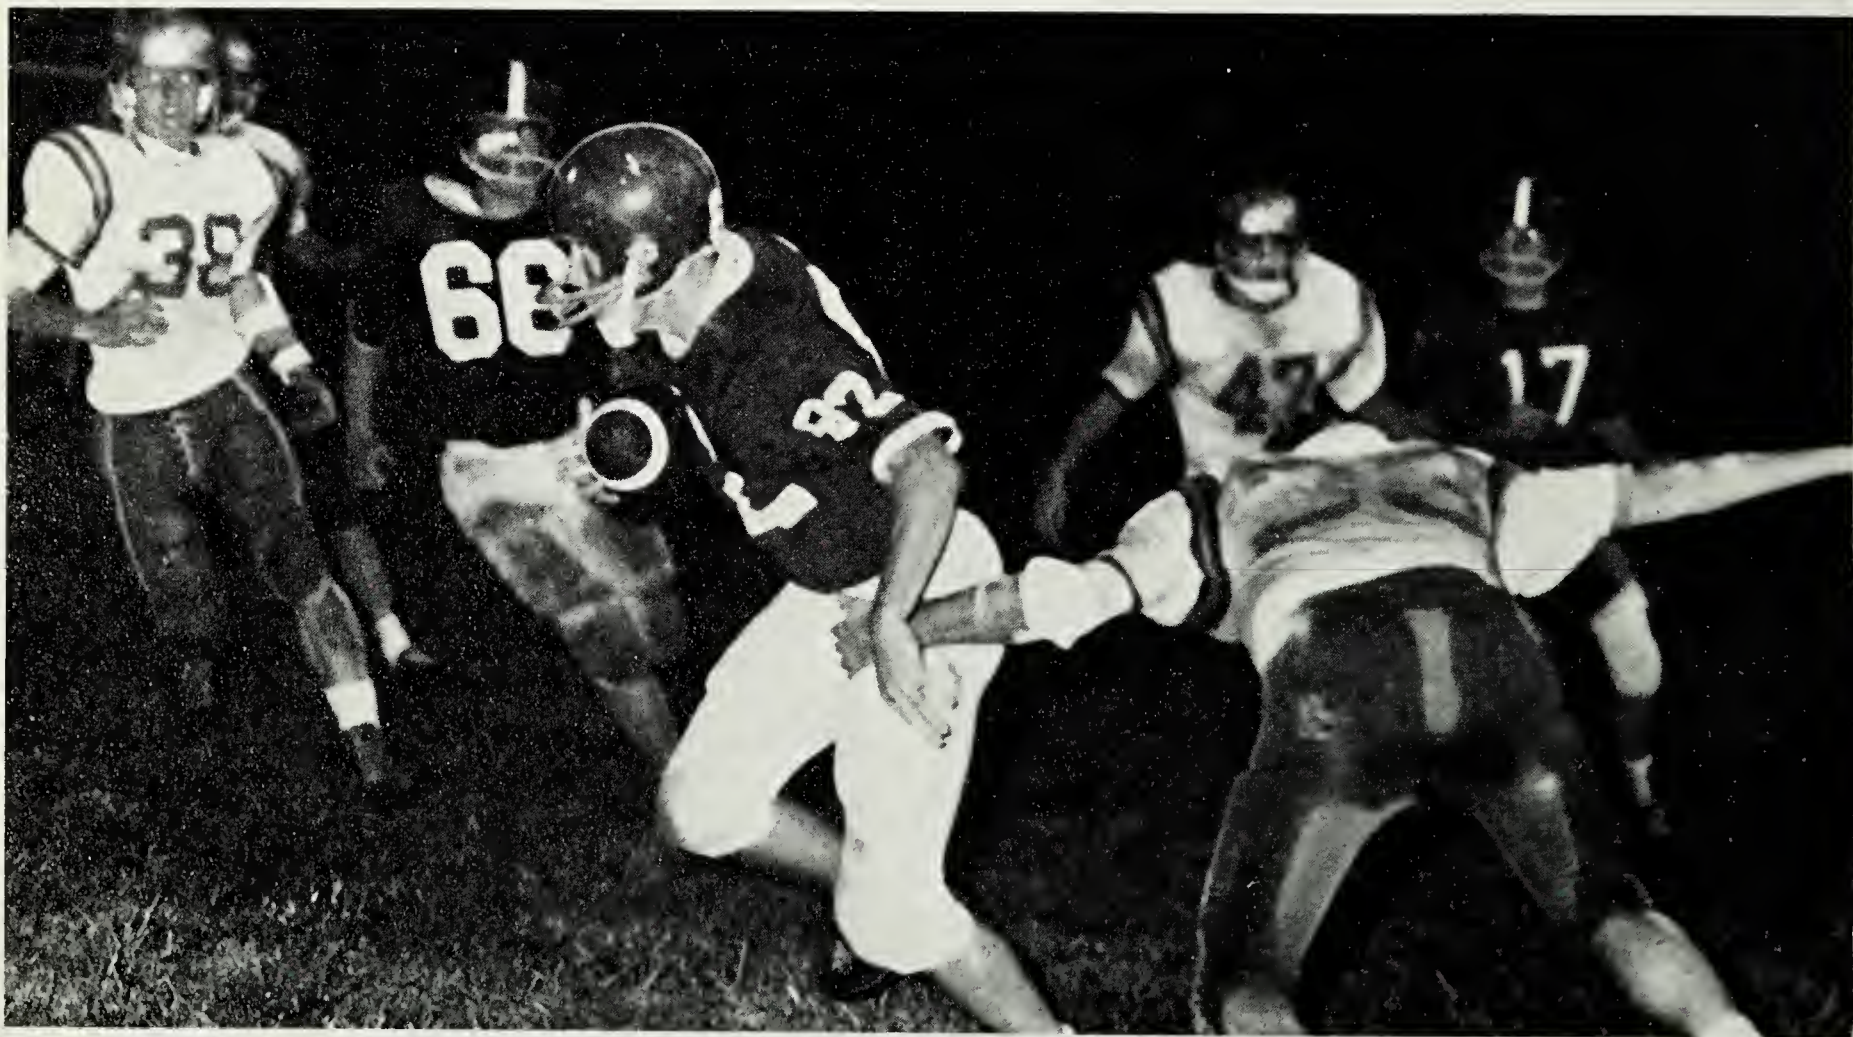

Our Devil, Arnold, runs with the ball for a real yardage gain.

## *We're Going To Win A*

A Lancer fails to pick up a first down as he is stopped by Hopewell's Al Jones (33). The final score was Manchester 19 and Hopewell 12.

Larry Arnold (27) makes good yardage on a sweep. It was a victory for the Blue Devils. The score at the end of a great game was Huguenot 6 and Hopewell 19.

## *Victory Every Time.*

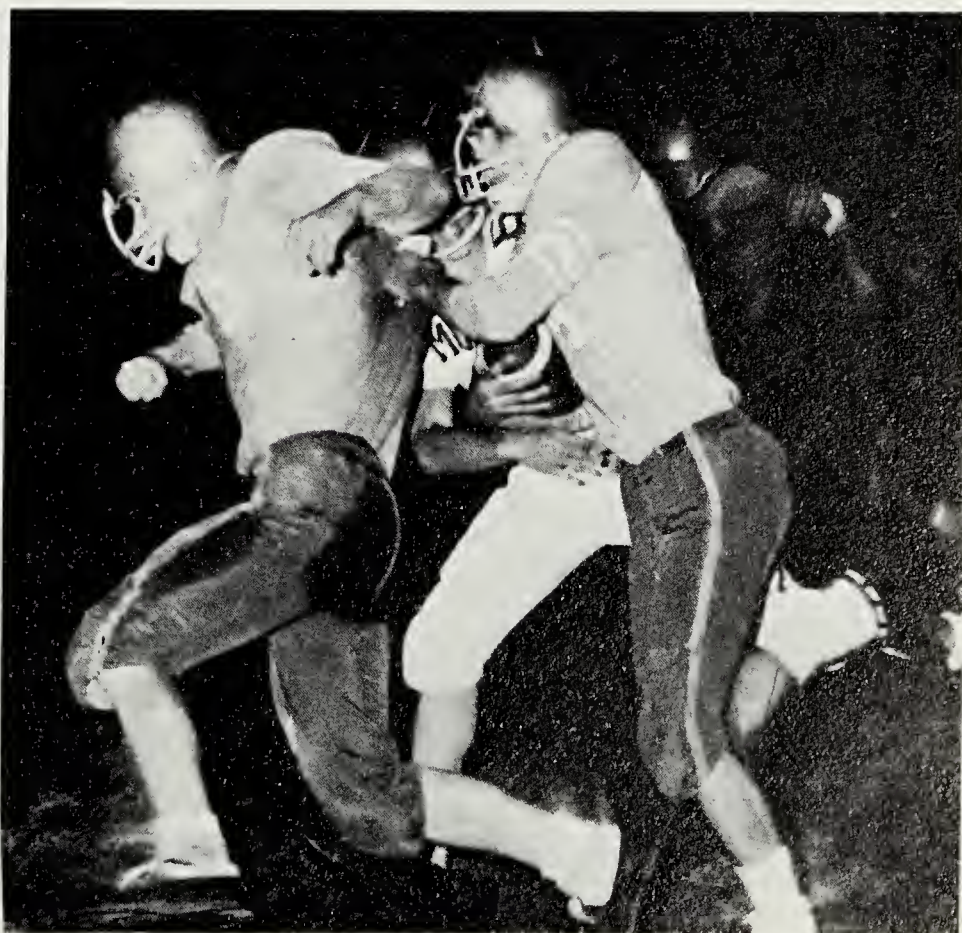

Paul Powers (25) is tackled by a Lee-Davis player after a long run.

### **Hopewell vs. Lee-Davis**

This game came as a complete surprise to everyone. The Devils did fight a hard game, but could not seem to get that extra push. The score was Lee-Davis 34 and Hopewell 20.

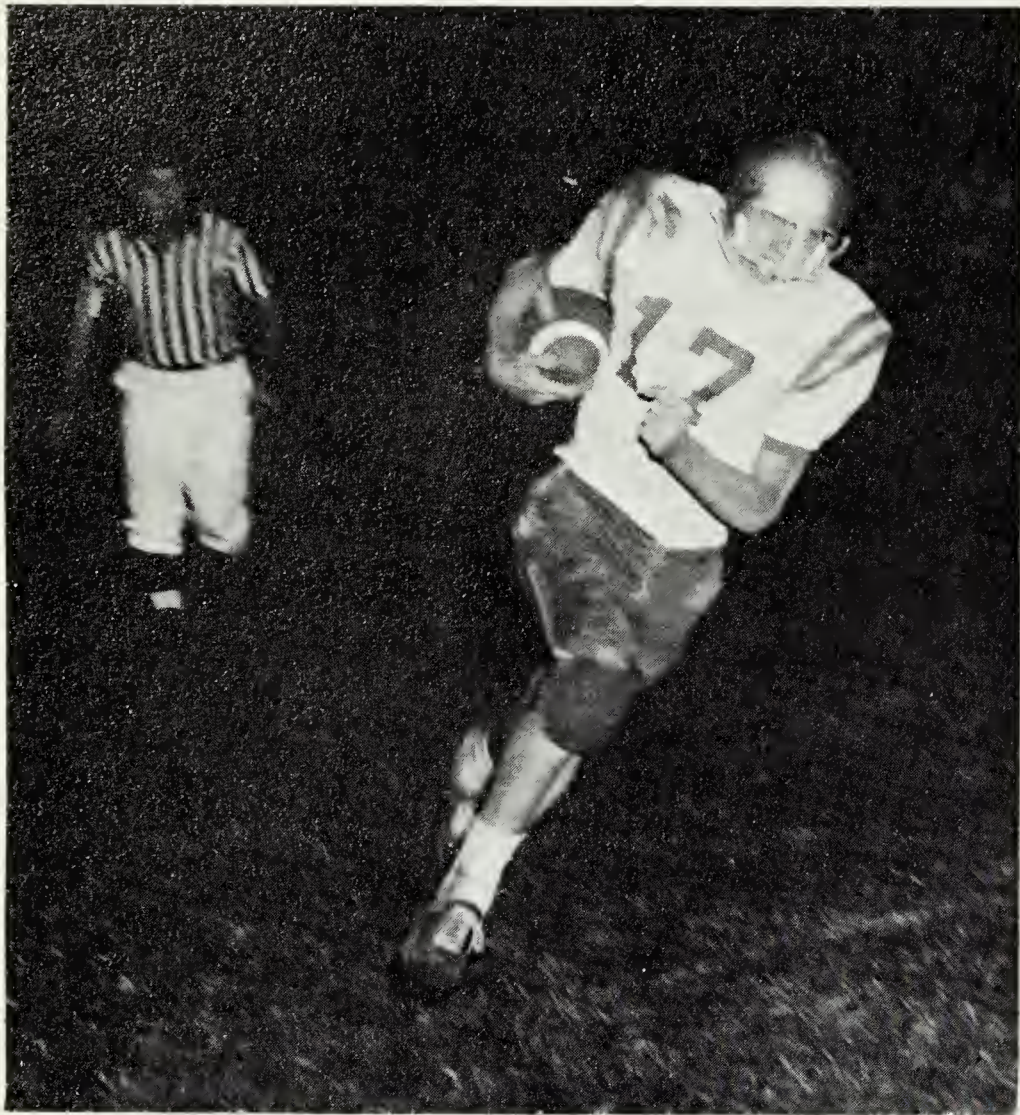

### **Hopewell vs. Meadowbrook**

The Big Blue came through with a glorious victory that thrilled every fan. They played such an active game that Meadowbrook didn't know what was happening. The team was like a steam roller as one touchdown piled on the other. The glorious score was Meadowbrook 13 and Hopewell 41. There were many celebrations that night in Hopewell.

## *For Hopewell High School,*

Eddie Miles tries for a touchdown. The overwhelming score was Patrick Henry 20 and Hopewell 40.

Mr. Stallard watches the game with hope in his eyes and lots of admiration for the team.

The score goes up as Paul Powers (25) makes a touchdown. The final score was Petersburg 46 and Hopewell 7.

## *We Will Loyal Be.*

### **Hopewell vs. Prince George**

The Devils came through with a glorious victory over the Royals at our Homecoming game. There was much tension as the score remained 0 to 0 until the last quarter. It was then that our team showed their great skill. The final score was Prince George 0 and Hopewell 13.

### **Hopewell vs. Thomas Dale**

In the last game of the season the Devils went down in defeat but not in dying spirit. The two team were tied for third place in the district until the Knights knocked us back to fourth. The score was Thomas Dale 13 and Hopewell 0.

The Royals tried desperately but could not overtake the great Blue Devils.

Hopewell's Ricky Krout (18) completes a pass for a first down.

The committee chairmen pictured above are very important, as they direct all the activities in the field over which their committee has jurisdiction.

This year, under the outstanding leadership of Al Jones, President, and Mr. Jerrell Sober, Sponsor, the SCA sponsored a very successful Homecoming with a parade through town, half-time activities, a sock hop, and a dance. The main goal and objective of the SCA this year was the completion and enactment of a successful honor code. Through the work and enthusiasm of the student body and their elected representatives, all the projects and assemblies of the SCA were very effective and successful.

President  
Becky Beach

Thirty-four junior and senior students, who exemplified in their school life the worthy objectives of the Honor Society, were tapped for membership on December 16, 1966. No honor conferred by our school excels that of membership in the Hopewell Chapter of the National Honor Society. It represents the fundamental objectives for which high schools are instituted and gives recognition to those who have attained the desired ends. Other honors at the disposal of this high school are partial in that they recognize only special ability, skill, or talent; but the National Honor Society looks upon Character, Scholarship, Leadership, and Service. This is why membership in the National Honor Society is the highest honor attainable at our school or any other school.

After much hard work and many trying experiences, we, the **Kaleidoscope Staff**, present this yearbook to the student body of Hopewell High School with pleasure and satisfaction. We are very proud of our finished product and we know that you will be, too.

The honor of being on the **Kaleidoscope Staff** was enjoyed by 20 seniors and 11 juniors. Working together with the help of our sponsor, Mr. Utleys, we all met our deadlines and our efforts were rewarded at the Kaleidoscope Assembly when our yearbook was officially presented to you. The 1966-67 **Kaleidoscope Staff** bids you farewell, but we leave our cherished memories recorded in our ever-changing **Kaleidoscope**.

The concrete boulders are the basis for a bridge, just as the ads are the basis of a good yearbook. The 1967 Kaleidoscope expresses its deep and sincere appreciation to the following business concerns, whose interest and cooperation have helped to make possible the publication of this, our yearbook of Hopewell High School. We are indebted to one and all.

## *In Recognition of Service*

The Staff of the Kaleidoscope has had the privilege of working under Mr. Malvin M. Utleys whom we all admire and respect. In his ten years of being the staff's sponsor, he has not only worked unselfishly at his required tasks, but has gone far beyond the call of duty.

The scope of this man's job has increased each year. Yet, his manner has remained friendly and helpful.

From your sense of devotion we see how proud and fond you are of Hopewell High School and the people within its walls. Now we have a chance to show you how appreciative we are of you. With many thanks for your interest in us, the Kaleidoscope staff pays you this tribute.

Dear Tommy -

Well, here we are at the close of another school year, and it's fairly flown by. I hope you'll never forget all the fun we had in Study Hall, it was a riot! Especially calling the roll. Tell your mother that she makes wonderful ham sandwiches! I'm sorry that things didn't work out for you in your love-life, looks like we have something in common there.

Be good, keep smiling, and don't forget all our fun and our friendship.

Love ya,  
Ann

P.S. I see  
Hope I see  
ya this summer.

Tommy,

To a nice crazy guy who I  
have enjoyed knowing in W.H.  
Lots of luck in the future.

Dear Tommy.

This was a swell year. I'm glad, even though we broke up, that we are still friends. I hope it will stay that way. I wish you the best of luck in your future years at school.

It's a wonder!!

To bad things didn't turn out to good in your  
lower-life!! It's just too bad. I wish it could  
have been better!! <sup>with</sup> <sub>who??</sub>

I don't think I'll ever forget this year! I  
couldn't count all the times I've been mad at you for  
something. We will have to try ~~harder~~ harder next  
time! (Ha!!)

I wonder how long our friendship will last! It's  
no telling at the rate we're going. (Longer, I hope!)

I'll never forget all the times you helped me  
out with my crass problems!! I know I couldn't  
tell you all of them, but what I did tell you, you  
always tried to help. Thanks alot for helping!!!

Well, I could say alot more, but I don't think  
I better in this Kaleidoscope!!!

If you try not to be so sensitive, you  
might get along with the world, & me!!!  
I'm joking!! I like you just the way you are!!!

Love Y R,  
D. Marty

Y. S.  
I hope  
I'll be seeing
